The flowers in the field are blooming, the earth is colorful and fragrant, the flowers in the field are so beautiful, the sun is warm, the flowers are fragrant and the birds are singing

The beautiful fragrance of violets floats in the four seasons, the five continents and the four seas float for thousands of miles, the high mountains are full of flowers, and the red morning glow reflects red heart palpitations

Ah, beautiful and colorful violets, blue white purple yellow green, your fragrance and your beauty will bloom forever in the vast world

Beautiful Colorful Violets Eternal Love Eternal Joy Eternal Happiness Eternal Beauty
Pick tens of millions of flowers, kiss the splendid spring, kiss the vast land
Flowers, green trees, colorful clouds, blue sky, stars and sea, endless

Цветы в поле цветут, земля красочна и благоухает, цветы в поле такие красивые, солнышко пригревает, цветы благоухают и птички поют

Прекрасный аромат фиалок витает в четырех временах года, пять континентов и четыре моря плывут на тысячи миль, высокие горы полны цветов, а красное утреннее сияние отражает красное сердцебиение.

Ах, прекрасные и разноцветные фиалки, синие, белые, фиолетовые, желто-зеленые, твой аромат и твоя красота будут вечно цвести в огромном мире.

Красивые Разноцветные Фиалки Вечная Любовь Вечная Радость Вечное Счастье Вечная Красота

Сорвать десятки миллионов цветов, поцеловать великолепную весну, поцеловать бескрайнюю землю.

Цветы, зеленые деревья, разноцветные облака, голубое небо, звезды и море, бесконечны
